

We're on a mission

To rewrite the future of South Africa's youth!

Founded in 2007, The ReStory Foundation (previously the Bhambayi Project) is a registered non-profit organisation whose focus includes **transforming the lives of orphans and vulnerable children**. We don't want to see their lives made more comfortable in poverty through handouts, but rather propelled out of poverty through relationships and empowerment.

Empower a Child Sponsorship

Sponsor a child for R385 per month or make a difference with a monthly amount of R50 or more.

Learning

Life skills, basic literacy, online learning, study material and maths club.

Creativity

Creative workshops and extra murals.

Connection

Youth worker home visits, youth groups, play therapy & counselling.
